Parking is available for the Medical Arts Center in the East Parking Garage, just across the street. When you enter the garage you are on **level 5**. There are 2 additional levels where you can park. Level 4 is one level down, and level 6 is the top, outdoor level.

To exit, return to level 5, and follow the exit signs. Traffic, where marked, is only **one-way**.

The side exits and levels 3, 2, and 1 are only for hospital employees who have a special pass. Take your green parking stub with you to be validated (unless you are there less than 1½ hour, you will have to pay). The glass walkway on the 6th floor of the parking garage puts you on the 2nd floor of the Mac building. Once in the Mac building, take the elevator to the third floor. The office is Suite #307 (about halfway down the hall on left).
